

**Jo' Buddy & Down Home King III "Everything's Gonna Be Alright!". Ram-Bam 2010.** El cantante y guitarrista finlandés Jo' Buddy, vuelve de nuevo a la carga con un cd calentito debajo del brazo, que saca chispas y donde pone todo el fuego en el asador, con masivas y rugientes dosis de blues de garaje, eso si, infectado del sonido del blues del Delta, donde incluye rags y muchos, muchos riffs de guitarra sucia,

sudorosa e hipnótica. Si John Lee Hooker levantara la cabeza estaria gratamente sorprendido de la música de estos dos jóvenes valores, Jo' Buddy y Down Home King III, quien se encarga de tocar la batería y la percusión. En la música de este dúo encontramos influencias de R.L. Burnside, Hound Dog Taylor, J.B. Hutto, John Lee Hooker e incluso del tristemente fallecido Lester Butler. Ambos músicos tienen punch y carisma y, en este nuevo disco, atacan once temas sabrosos y al mismo tiempo brutales, pero sobre todo desenfrenados, pasionales y con mucha energía vital. Colaboran también en este "Everything's Gonna Be Alright!", tema que, por cierto, se incluye en el disco, Little Victor armónica, Veli-Matti acordeón, Jan Pethman cencerro y conga y Tommi Laine bongos y rubboard. **BUENO. Finnish singer and guitarist Jo 'Buddy, comes back with a warm electrifying cd under his arm, where he has put all the eggs in one basket, with massive roaring doses of garage blues, but at the same time full of Delta blues sounds, also including rags and many, many dirty, sweaty and hypnotic guitar riffs. If John Lee Hooker was alive today, he would be pleasantly surprised by the music of these two young talents, Jo 'Buddy on guitar and vocals and Down Home King III, on drums and percussion. You will find different influences In this duo music, from RL Burnside to Hound Dog Taylor, JB Hutto, John Lee Hooker, and even to the late Lester Butler. Both musicians have great punch and charisma and, in this new album, they have included eleven savoury wild tracks, but over all, intense. passionate and full of vitalist energy. You will find some guest musicians on this "Everything's Gonna Be Alright!", -song that is also included in the cd-, Little Victor harmonica, Veli-Matti on accordion, Jan Pethman cowbell and conga and Tommi Laine, on congas and rubboard. VERY GOOD.**
