

Jo' Buddy & Down Home King III - "Whole Lotta Things To Do"

It's about time Jo' Buddy/DHKing III made a new record! This follow-up to '06 "Grits & Rattles" continues their style of stripped down raw blues that draws from the traditions of the Deep South. Jussi Raulamo's radio-driven guitar and soulful vocals backed by the driving rhythms of Down Home King III makes for a unique and eclectic experience.
